Jane Thomas  
Sept 2006

Color scheme:	Warm earth tones, toned down color
Feeling:	Warm, welcoming,
Base Color Palette	Tans, Golds, Rusts,
Accent colors:	Red, Plum
Overall suggestions:	<ul style="list-style-type: none"><li>- Wide white trim with minimal detail</li><li>- " Fluffy Biscuit B11-4" wall color to replace white walls</li></ul>
Decor:	<ul style="list-style-type: none"><li>- Use plants, larger floral arrangements and artwork containing accent colors to tie color from room to room.</li><li>- Choose fewer large pieces of art rather than many smaller pieces unless trying to create a collage on a wall</li></ul>

Backsplash:	Strongly recommend tile backsplash that "does not" cover entire space between countertop and cabinets to allow some of the cranberry color to show through (see sample picture)
Backsplash color:	Cream or very very light cream stone tile
Cabinets	Fluffy Biscuit- Egg shell or Satin Finish (Do not use high-gloss)
Countertop:	Medium to light brown stone-like top. Avoid any hints of blue or green
Suggestions:	-Remove frilly curtains. Replace with a window covering with cleaner lines. Venetian blind or tailored roller shade  -Remove brick-like tile
